## Database for Sabahan to perform

As a Government-Linked About that works for the people, we will consider equality and diversity in everything we do, and to play an important part in working towards the life chances and opportunities for all local people.

We aim to provide local people with the opportunity to succeed, and to reach the highest. SOGID is committed to taking positive action that will open up the services and opportunities to everyone, ensure that difference and diversity is embraced, and that people are always treated fairly and with respect.

The secret of change is to focus all of your energy not on fighting the old, but on building the new

Action Creates Energy, We Create Action, Be Part of The Action Today!
